## 24 HOUR MEDICAL EMERGENCY AND REPATRIATION SERVICE

*The nominated emergency service referred to in this policy is operated by Intana Assist.*

If you or a member of your party have to go to hospital as an in-patient during your trip, require medical treatment that will cost more than £250 (or the equivalent in local currency) or need to travel home differently to your original plans, Intana Assist must be contacted BEFORE making any arrangements. If this is not possible because the condition requires immediate treatment to save life or limb, Intana Assist must be contacted as soon as possible thereafter (see condition (a) of section 2 - emergency medical expenses). Failure to do so will affect the assessment of your claim.

***In the case of medical emergency, please contact our nominated emergency service, Intana Assist on telephone number + 44 (0) 208 865 0725.***

***Email: [voyagerassistance@intana-assist.com](mailto:voyagerassistance@intana-assist.com)  
Please quote Voyager WEBroker.***

## Outpatient treatment

For simple out-patient costs you should settle the clinic bill directly and claim this back upon your return.

## Reciprocal health agreements EU, EEA or Switzerland

If you are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland you are strongly advised to obtain a European Health Insurance Card (EHIC). You can apply for an EHIC online at [www.ehic.org.uk](http://www.ehic.org.uk) or by telephoning 0845 606 2030. This will entitle you to benefit from the health care arrangements which exist between countries within the EU/EEA or Switzerland. In the event of liability being accepted for a medical expense which has been reduced by the use of a European Health Insurance Card we will not apply the deduction of excess under section 2 - emergency medical expenses.

## Australia

If you require medical treatment in Australia you must enrol with a local MEDICARE office. You do not need to enrol on arrival but you must do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at [www.humanservices.gov.au/medicare](http://www.humanservices.gov.au/medicare) or by emailing [medicare@humanservices.gov.au](mailto:medicare@humanservices.gov.au). Alternatively please call our nominated emergency service for guidance. If you are admitted to hospital contact must be made with our nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE.

## Special notice

This is not a private medical insurance and only gives cover in the event of an accident or sudden illness that requires emergency treatment whilst abroad. In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to your medical records and information.

- Area 1** The United Kingdom and Northern Ireland.  
**Area 2** The continent of Europe West of the Ural mountains, any country with a Mediterranean coastline, (excluding Algeria, Libya, Syria and Israel) Channel Islands, the Canary Islands, the Isle of Man, Madeira and Iceland.

## Important conditions relating to health & activities

Please consider these questions very carefully in relation to yourself and your travelling companions insured under this policy.

### Please note

You are not covered for any directly or indirectly related claims if at the time this insurance was arranged and each time you make arrangements for a trip;

- you or your travelling companions are travelling against the advice of a medical practitioner, or
- you or your travelling companions are travelling specifically to seek, or you know you will need, medical treatment while you are away, or
- you or your travelling companions are on a waiting list for treatment or investigation, or
- you, your travelling companions or any non-travellers have been given a terminal diagnosis.

To avoid unnecessary extra cost, you should only contact the screening service if the answer to any of questions 1, 2 or 3 is YES. If all the appropriate answers are NO then there is no need to contact Healthcheck and your condition(s) will be covered.

Please note that if you do contact Healthcheck and go through a full screening when the appropriate answers are all NO then you will have to pay the appropriate additional premium quoted if you wish to cover your declared conditions.

**1** Within the last 12 months, have you or your travelling companions suffered from, been investigated for, diagnosed with, received treatment or taken any medication for;

**a.** any cancer or malignant condition.  
**b.** any lung related condition (other than stable, well controlled asthma that requires not more than 2 medications, including inhalers).  
**c.** any heart related condition (including angina)?

**NB** – You must contact Healthcheck if you take any medication for any of these conditions.

No

**2** Do you or your travelling companions suffer from any other medical condition that has required referral to or consultation with a specialist clinic or hospital for treatment, tests or investigation within the 12 months prior to the date this insurance was arranged or the date that you subsequently made arrangements for a trip?

**NB** – Continuing regular medication that is taken at home for a stable, well-controlled condition does not amount to “treatment” in this context and so does not need to be screened. If you or your travelling companions have stable conditions that require no more than 2 routine check-ups/reviews per year each then you do not need to be screened.

No

**3** Has your or your travelling companions’ doctor increased your regular prescribed medication in the last 3 months?

No

Your medical conditions (if any) will be covered.

**4** Do you have any concerns relating to the health of any non-travellers whose state of health is likely to cause you to cancel or amend your travel plans? If so, please contact **Voyager Insurance Services** on **01483 562662**.

**5** Are you planning to take part in any hazardous activities (see general exclusions 8-11 on page 15)? If so, please contact **Voyager Insurance Services** on **01483 562662**.

If you think you may have given us any incorrect answers or if you want any help, please contact **Voyager Insurance Services Ltd** on **01483 562662** as soon as possible and we will be able to tell you if we can still offer you cover.

### Cancellation rights

We hope you are happy with the cover this policy provides. However if after reading this certificate, this insurance does not meet with your requirements, please return it to the issuing agent, within 14 days of receipt and any premium already paid will be refunded to you providing you have not travelled, no claim has been made or is intended to be made and no incident likely to result in a claim has occurred. We reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation. We shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document by sending 14 days notice to you at your last known address.

### Period of insurance

If you have paid the appropriate annual multi-trip travel insurance premium and you are under 75 years old, the overall period of insurance shall be for 12 months starting from the date shown on your certificate. This insurance then covers an unlimited number of holiday, leisure or business trips starting within that period, provided that no single trip is intended to be for longer than the maximum number of days shown in the policy features table for the cover you have bought. Wintersports are covered up to the total number of days shown in the policy features table.

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your home country at the start of your trip, and finishes as soon as you return to your home or place of business in your home country for any reason.

If you have paid the appropriate longstay travel insurance premium, this insurance allows you to return to your home country for short term visits of up to two weeks, as long as they are not subject to a claim. Cover is temporarily suspended for the duration of these visits.

You are only covered for the period for which a premium has been paid and in any event the total period of any one trip must not exceed the period shown in the policy features table.

For cancellation only (section 1), cover starts from the date shown on your certificate or the date you book your trip, whichever is the later.

Personal money (section 8) will be covered from the time of collection but not more than 72 hours before travel.

If you are going on a one-way trip all cover will finish 48 hours after your arrival in the country of final destination.

If your return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

## Important features

We would like to draw your attention to some important features of your insurance including;

### 1. Insurance document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

### 2. Conditions and exclusions

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

### 3. Health

This insurance contains restrictions regarding the health of the people travelling and of other people upon whose health the trip depends. You are advised to read the document carefully.

### 4. Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.

### 5. Limits

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

### 6. Excesses

Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section.

### 7. Reasonable care

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

### 8. Sports & activities

You may not be insured if you are going to take part in sports & activities where there is a generally recognised risk of injury. Please check that this insurance covers you, or ask us.

### 9. Customer service

We always try to provide a high level of service. However, if you think we have not lived up to your expectations, please refer to the complaints procedure.

### 10. Cancellation rights

This insurance contains a 14 day 'cooling off' period during which you can return it and get a full refund, providing you have not travelled and there are no claims. We reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation.

### 11. Fraudulent claims

It is a criminal offence to make a fraudulent claim.
