Our nominated emergency service has the medical expertise, contacts and facilities to help should **you** be injured in an **accident** or fall ill. Our nominated emergency service will also arrange transport to **your home country** when this is considered to be medically necessary or when **you** have notice of **illness** or death of a **relative** at **home**. **You** must contact them if **you** are admitted to hospital and wish to return **home** by any means other than originally booked or require treatment that will cost more than £/€250 (or the equivalent in local currency).

### In the case of medical emergency please contact International Medical Group

## Payment for medical treatment abroad

If **you** are admitted to a hospital/specialist clinic while abroad, our nominated emergency service will, wherever possible, arrange for medical expenses covered by the policy to be paid direct to the hospital/specialist clinic. To take advantage of this benefit someone must contact our nominated emergency service for **you** as soon as possible.

**Please note:** Private medical treatment is not covered unless authorised specifically by our nominated emergency service.

## Reciprocal health agreements

### EU, EEA or Switzerland

If **you** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **you** are strongly advised to use an existing European Health Insurance Card (EHIC) or obtain a Global Health Insurance Card (GHIC), if available to **you**. **You** may be able to apply for a GHIC online at [www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/](http://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/)

This will entitle **you** to benefit from the state-provided healthcare arrangements which exist between the UK and European Union countries. Please note that a GHIC does not replace travel insurance. In the event of liability being accepted for a medical expense which has been reduced as a result of **you** presenting **your** EHIC or GHIC to a medical facility at time of treatment or similar reciprocal health agreement, **we** will not apply the deduction of **excess** under Section 2 - Emergency Medical Expenses.

### Australia

If **you** require medical treatment in Australia **you** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **you** must do this after the first occasion **you** receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at [www.humanservices.gov.au/medicare](http://www.humanservices.gov.au/medicare) or by emailing [medicare@humanservices.gov.au](mailto:medicare@humanservices.gov.au). Alternatively please call our nominated emergency service for guidance. If **you** are admitted to hospital contact must be made with our nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE.

**We** are also unable to provide cover to the following countries due to the existence of international sanctions: Belarus, Cuba, Iran, North Korea, Russia, Syria & Ukraine.

If **you** have bought the Annual Multi-trip option, **trips** wholly within **your home country** are also insured but only if they include a minimum of 2 nights away from **home** using pre-booked, pre-paid accommodation or transport.
