Important Features

We would like to draw **Your** attention to some important features of **Your** insurance including;

- 1. Insurance document** - **You** should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so **You** should familiarise yourself with this particular insurance.
- 2. Conditions and exclusions** - Specific conditions and exclusions apply to individual sections of **Your** insurance, whilst general exclusions and conditions will apply to the whole of **Your** insurance.
- 3. Health** - This insurance contains restrictions regarding the health of the people travelling and of other people upon whose health the **Trip** depends. **You** are advised to read the document carefully.
- 4. Property claims** - These claims are paid based on the value of the goods at the time **You** lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.
- 5. Limits** - This insurance has limits on the amount the **Insurer** will pay under each section. Some sections also include other specific limits, for example, for any one item or for **Valuables** in total.
- 6. Excesses** - Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section.
- 7. Claims arising from alcohol** - **We** do not expect **You** to avoid alcohol during **Your Trip**, but **We** will not cover any claim arising from excessive alcohol consumption, by which **We** mean where **You** have drunk so much alcohol that a **Medical Practitioner** has stated that **Your** alcohol consumption has caused or actively contributed to **Your** injury or **Illness**, the results of a blood test at the time of injury or **Illness** shows that **Your** blood alcohol level exceeds 0.19% that is approximately 1.5 litres of beer or four (4) 175ml glasses of wine; a witness report of a third party that has advised that **You** have notably impaired **Your** faculties and/or judgement. Reasonable care** - **You** need to take all reasonable care to protect **Yourself** and **Your** property, as **You** would if **You** were not insured and that includes not doing anything that could reasonably be expected to cause injury or death to **Yourself** or others. Any amounts the **Insurer** will pay for property left **Unattended** in a public place or **Unattended** vehicle is very limited, as specified.
- 9. Sports & activities** - **You** may not be insured if **You** are going to take part in sports & activities where there is a generally recognised risk of injury. Please check that this insurance covers **You**, or ask **Us**.

Special Notice

This is not a private medical insurance policy and is only designed to cover you for emergency treatment

This is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred, unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company as part of a medical emergency covered by this policy.

This policy is only designed to cover **You** for emergency treatment.

Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **Our** Medical Emergency Assistance Company, cannot be delayed until **You** return to the **United Kingdom** and could be undertaken in the **United Kingdom** if **You** were to return **Home** (at **Your** own cost). The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, illness or injury that is likely to respond quickly to treatment which aims to return **You** to the state of health **You** were in immediately before suffering the disease, illness or injury, or which leads to **Your** full recovery.

Claims for reimbursement of costs

This insurance policy will only respond to claims for **Irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs - **You** should, in the first instance, contact **Your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.

Pregnancy

The policy does not intend to cover the normal costs or losses otherwise associated with pregnancy (including multiple pregnancy) or childbirth. This includes but is not limited to delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The policy does, however, cover **You** should complications arise with **Your** pregnancy due to **Accidental Bodily Injury** or unexpected **Illness** which occurs while on **Your Trip**.

Important

You must tell **Us** if, at any time during the period of insurance and each time **You** make arrangements to travel, there is a change in circumstances and **You** answer 'yes' to any of the important conditions relating to health and activities by contacting **Us** as soon as possible so that **We** may reassess **Your** coverage relating to any **Trips** **You** have booked or may wish to book in the future. Please refer to general conditions 1, 2 & 3.

Changes in Your Health

1. If **Your** health changes after **You** purchased **Your** policy or before booking **Your Trip** but before **You** travel, **You** must tell **Us** about these changes if because of these **You**:

- Have seen a doctor and have seen or been referred to a consultant or specialist;
- Have been admitted to hospital for, or are waiting to receive treatment (including surgery, tests or investigations) or the results of tests and investigations;

We will then tell **You** if **We** can cover **Your** medical conditions free of charge or for an additional premium.

2. If **We** cannot cover **Your** medical conditions, or **You** do not want to pay the additional premium quoted, **We** will give **You** the choice of either:

- Making a cancellation claim for any pre-booked **Trips**; or
- Cancelling **Your** policy and receiving a proportionate/partial refund (provided that **You** have not made a claim or are about to).

Individuals with whom **You are travelling or have arranged to travel, a person with whom **You** have arranged to reside with temporarily, a Relative or Business Colleague, who are not insured under the policy.**

We will not provide cover for any claim if, at the time **Your** policy starts or booking a **Trip**, whichever was the later, any person on whom the **Trip** depends including the person with whom **You** are travelling or have arranged to travel, a person with whom **You** have arranged to reside with temporarily, a **Relative**, friend or **Business Colleague** had a medical condition for which he or she:

- was receiving treatment at hospital (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
- was waiting for a hospital consultation, investigations or treatment (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
- had been given a terminal prognosis, or been told that their condition is likely to get worse in the next 12 months.

Reciprocal Health Agreements

EU, EEA or Switzerland

If **You** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **You** must use a European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC). **You** can apply for a GHIC online at www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/. This will give **You** the right to access state-provided healthcare during a temporary stay in the European Union. Please note that a GHIC does not replace travel insurance. In the event of liability being accepted for a medical expenses claim which has been reduced by the use of a EHIC or GHIC **We** will not apply the deduction of excess under Section 2 – Emergency Medical Expenses.

Australia or New Zealand

If **You** require medical treatment in Australia **You** must travel with a local MEDICARE office. **You** do not need to enrol on arrival but **You** must do this after the first occasion **You** receive treatment. Inpatient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE Website on www.humanservices.gov.au/medicare or by emailing: medicare@humanservices.gov.au.

If **You** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **Medical practitioner** has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email: info@health.govt.nz. Alternatively please call **Our** nominated emergency service for guidance.

If **You** are admitted to hospital contact must be made with **Our** nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE or a Primary Health Organisation (PHO).

In the event of liability being accepted for a medical expense which has been reduced by the use of either a EHIC/GHIC, Medicare in Australia or private health insurance, **We** will not apply the deduction of a policy excess under Section 2 - Emergency Medical Expenses.
