Important Features

We would like to draw **You** attention to some important features of **Your** insurance including:

The coverage provided by this *Policy* is not private medical insurance or any other kind of primary health insurance or health plan. It only gives cover in the event of accidental bodily *Injury* or sudden unexpected *Illness* that requires *Emergency* treatment whilst abroad and other non-medical covers, as expressly included below.

In the event of any medical treatment becoming necessary which results in a claim under this insurance, **You** will be expected to allow insurers or their representatives unrestricted access to **Your** medical records and information.

Coverage is included in the *Policy*, subject to all conditions, restrictions and exclusion contained herein for:

- i) Insured individuals and groups on business and work ***Trips*** (including journalism, media, humanitarian, aid, disaster and relief work, conservation, research, voluntary, missionary, religious work and charitable programmes including teaching, study and educational travel and Non-Governmental Organisations); and
- ii) Acts of ***War*** and/or terrorism and/or civil unrest on a business ***Trip*** including areas where **Your** government, foreign office or similar government body may advise against travel, within **Your** Geographic Area of Cover as shown in **Your *Schedule***; and
- iii) ***Insured Persons*** that are embedded with military, governmental or NGO vehicles and aircraft. (Bullet proof jackets, helmets and personal distress beacons are recommended during any embedded period); and
- iv) Coverage is extended to include incidental leisure travel for periods of up to 31 days preceding or attaching to a business ***Trip*** and within the ***Period of Insurance***.
- v) Leisure ***Trips*** without a business or work element are covered up to a maximum ***Trip*** duration of 31 days for each ***Trip***. No cover for ***War*** is provided for Leisure ***Trips*** that do not attach to a business or work ***Trip***.

1. Insurance Document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one ***Policy*** to another so **You** should familiarise ***Yourself*** with this particular insurance.

2. Conditions and Exclusions

Specific conditions and exclusions apply to individual sections of **Your** insurance, whilst General Exclusions and Conditions apply to the whole of **Your** insurance.

3. Health

This insurance contains restrictions regarding the health of the people travelling and of other people upon whose health the ***Trip*** depends. **You** are advised to read this document carefully.

4. European Schengen and Other Visa Requirements

This ***Policy*** is compliant with European Schengen Visa requirements and the visa requirements for most countries. Entry requirements change frequently, therefore please check with **Your** relevant country of destination about visa and entry requirements. **We** and **Our** authorised representatives and affiliates are not responsible for compliance with these regulations.

5. Trip Duration and Living Abroad

This ***Policy*** is subject to a maximum ***Trip*** duration based on the ***Policy*** that **You** purchase and as shown in **Your *Schedule***. **You** should not take out this ***Policy*** if **Your** intent is to emigrate or live in a fixed location outside (living abroad versus travelling) **Your Home Country** for more than the ***Period of Insurance*** that is purchased.

6. Property Claims

No cover is provided for Property claims unless **You** have selected "Option C Non-Medical Travel Coverages", paid the appropriate premium and the option is displayed in **Your *Schedule***. Where **You** have cover under this Option, these claims are based on the value of the goods at the time **You** lose them and not on a 'new for old' or replacement cost basis. Claims are based on the ***Limits*** in the applicable section of cover and deductions will be made in respect of wear, tear and depreciation (this means **You** will not get back all of the money **You** paid for the item). In the event of a claim **You** will be required to provide proof of ownership of the item.

7. Policy Limits

This insurance has ***Limits*** on the amount **We** will pay under each section. Some sections also include other specific ***Limits***, for example, for any one item or for ***Valuables*** in total. **You** should check **Your *Policy*** and the ***Benefits and Excesses Table*** and the ***Optional Benefits and Excesses Table***. If **You** plan on taking expensive items with **You**, **We** suggest **You** insure them separately under a household, business or other all-risk ***Policy***.

8. Excesses

Under some sections of this insurance, claims will be subject to an **Excess**. This means each person will be responsible for paying the first part of their claim under each applicable section.

9. Claims arising from alcohol

We do not expect **You** to avoid alcohol during **Your Trip**, but will not cover any claim arising from excessive alcohol consumption, by which **We** mean where **You** have drunk so much alcohol that **You** have notably impaired **Your** faculties and/or judgement and **You** need to make a claim. Refer to General Exclusions.

10. Taking Care

You need to take all care to protect **Yourself** and **Your** property, as **You** would if **You** were not insured. If **You** have cover under "Option C Non-Medical Travel Coverages" any amounts **We** pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the **Policy** Wording under Section C1 page 40.

11. Sports and Activities

You may not be insured if **You** are going to take part in sports and activities where there is a generally recognised risk of **Injury**. Please check that this insurance covers **You**. **You** will see a list of Sports and Activities on page 38 of the **Policy** Wording. If the Sport or Activity is not shown, please refer to the **Policy Administrator**.

12. Customer Service

We always try to provide a high level of service. However, if **You** think **We** have not lived up to **Your** expectations, please refer to the complaints procedure on page 5 of the **Policy** Wording.

13. Law and Jurisdiction

You and **We** are free to choose the law applicable to this insurance. Unless specifically agreed to the contrary this insurance will be governed by the laws of England and Wales and subject to the exclusive jurisdiction of the courts of England. **Your Policy** is deemed issued in London, England.

14. Pregnancy & Childbirth

We provide cover under this **Policy** if something unexpected happens as long as **You** are not expecting to give birth before or within 8 weeks of the date of arrival **Home**. In particular, **We** provide cover under section A1 for injuries to the body or **Illness** that was not expected. **We** do not consider Pregnancy or childbirth to be an **Illness** or **Injury**. To be clear, **We** only provide cover under Sections A1 and A2 of this **Policy**, for claims that come from **Complications of Pregnancy and Childbirth**. Please make sure **You** read the definition of '**Complications of Pregnancy and Childbirth**' on page 18.

15. Fraudulent Claims

It is a criminal offence to make a fraudulent claim. Please note that **We** reserve the right to access fraud prevention databases and within the constraints of current Data Protection Regulations to use or share **Your** personal information for the identification and prevention of fraud and crime. If any claim is found to be fraudulent in any way **Your Policy** may be voided, **We** may be entitled to recover the amount of any claim already paid under **Your Policy**, **We** will not return any premium paid and **We** may inform the Police of the circumstances. For more information on how **We** use **Your** data, please refer to the section titled "Data Protection and Privacy Statements". **You** can also find further information within **Our** Privacy Policy Statement here <http://www.starrcompanies.co.uk/privacy-policy>.
