Introduction

Welcome to Your Voyager Plus travel insurance policy.

Please note: Terms shown in bold in this policy have the meanings given to them in the General Definitions section on pages 8 and 9.

This policy wording is only valid when issued in conjunction with a Voyager Plus Travel Insurance policy **certificate** and provided the required insurance premium has been paid.

Period of Insurance

If **you** have paid the appropriate Annual Multi-Trip travel insurance premium and **you** are under 75 years old, the overall period of insurance shall be for 12 months starting from the date shown on **your certificate**. This insurance then covers an unlimited number of holiday, leisure or business **trips** starting within that period, provided that no single **trip** is intended to be for longer than the maximum number of days shown in the policy features table for the cover **you** have bought.

Except as stated below, cover for each separate **trip** under this insurance starts when **you** leave **your home** or place of business in **your home country** at the start of **your trip**, and finishes as soon as **you** return to **your home** or place of business in **your home country** for any reason.

If **you** have paid the appropriate longstay travel insurance premium, this insurance allows **you** to return to **your home country** for short term visits of up to two weeks, as long as they are not subject to a claim. Cover is temporarily suspended for the duration of these visits. **You** are only covered for the period for which a premium has been paid and in any event the total period of any one **trip** must not exceed the maximum period shown in the Policy Features Table.

For Cancellation only (Section 1), cover starts from the date shown on **your certificate** or the date **you** book **your trip**, whichever is the later. Personal Money (Section 8) will be covered from the time of collection but not more than 72 hours before travel.

If **you** are going on a one-way trip all cover will finish 48 hours after **your** arrival in the country of final destination, unless **you** have selected and paid the additional premium for the one way trip extended cover option and this is shown on **your certificate**. In this instance, **your** cover will finish at the date **you** have selected after arrival in the country of final destination up to a maximum of 31 days from the date of arrival in the country of final destination. In no event can the duration of cover exceed the maximum **trip** duration shown in the policy features table.

If **your** return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

Important note in respect of 'Already Departed' cover:

Notwithstanding the Period of Insurance definition above, if **you** have already departed on **your trip** prior to purchasing **your** travel insurance, or if **your** previous insurance has expired, cover is available subject to payment of an additional premium. The following conditions will also apply:

- All cover must start on the day following purchase or expiry of **your** previous insurance.
- No cover applies in respect of **pre-existing medical conditions** and no medical screening is available.
- 14 day waiting period before medical expenses cover commences in respect of **illness** if departure from **home country** or expiry of any previous policy was more than 7 days before purchase date.
- The 14 day 'cooling off period' for cancelling the policy does not apply.
- The overall period of **your trip** outside **your home country** does not exceed the policy maximum for **your** age, including any period of insurance under this policy. In the event of a claim **you** will be required to provide evidence of the day **you** first left **your home country**.
- Annual Multi-Trip cover is not available and the insurance must be arranged for the remaining period of **your trip** including return to **your home country**. If, when the policy is purchased, the **trip** has exceeded the maximum duration for **your** age or the maximum duration for **your** age will be exceeded prior to **you** returning **home** and **your** policy expiring, the policy will be invalid from inception and no cover will be provided under any section.
- You** must have paid the appropriate additional premium to cover any **trip** **you** have already departed on.

Your Coronavirus Cover Under This Policy:

1. Cancellation cover as a result of COVID-19:

You are covered up to the amount shown in the Benefits Schedule for cancellation as a result of an insured person testing positive for **COVID-19** within 14 days of the **trip** departure date, or an insured person being admitted to hospital due to testing positive for **COVID-19** within 28 days of the departure date.

2. Emergency medical expenses and additional travel & accommodation expenses:

You are covered up to the amount shown in the Benefits Schedule for the necessary costs incurred as a result of **you** sustaining unexpected **illness** including with symptoms of, or testing positive for, **COVID-19**. **You** are also covered for additional travel and accommodation expenses (on a bed & breakfast basis) to enable **you** to return **home** if **you** are unable to travel as originally planned. A maximum amount of £2,000 per insured person applies if **you** have to extend **your trip** because **you** have tested positive for **COVID-19**.

3. Hospital Stay Benefit:

You are covered up to the amount shown in the Benefits Schedule for each 12 hours spent receiving in-patient hospital treatment whilst outside of **your home country** that is covered under Section 2 - Emergency Medical Expenses. This could include **you** being hospitalised due to testing positive for **COVID-19**.

Please note: this cover is subject to the terms & conditions stipulated within the relevant sections of cover.

Cancellation Rights

We hope **you** are happy with the cover this policy provides. However if after reading this **certificate** and wording, this insurance does not meet with **your** requirements, there is a 14 day "cooling off period" during which **you** can return it to the issuing agent, and any premium already paid will be refunded to **you** providing **you** have not travelled, no claim has been made or is intended to be made and no incident likely to result in a claim has occurred and the policy has not expired. **We** reserve the right to deduct from the rebate of premium the necessary costs incurred up to the amount specified in **your** Terms of Business Agreement (TOBA) in processing the original sale and cancellation. **We** shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document due to a valid reason by sending 14 days notice to **you** at **your** last known address.

Valid reasons may include but are not limited to:

- where **you** are required in accordance with the terms of this policy, to co-operate with **us**, or send **us** information or documentation and **you** fail to do so in a way that substantially affects **our** ability to process **your** claim, or deal with **your** policy;

Please refer to general exclusions 9-11.

9. Reasonable Care

You need to take all reasonable care to protect yourself and **your** property, as **you** would if **you** were not insured. Any amounts the insurers will pay for property left **unattended** in a public place or **unattended** vehicle is very limited, as specified in the wording.
