Welcome

Welcome to the VoyagerProtect - Group Business & Leisure Travel Insurance Policy.

This policy is only valid when issued in conjunction with a VoyagerProtect **Certificate of Insurance** and **Schedule of Insured Persons**, and provided the required insurance premium has been paid.

The insurance premium has been based upon the information shown in the schedules and recorded in the written application **The Policyholder** has signed and/or the declaration **The Policyholder** has made. Please read them carefully to make sure that they meet the requirements of the **Insured Persons** and that the details on the **Certificate of Insurance** and the schedules are correct. If after reading the **Certificate of Insurance** and schedules, **The Policyholder** or **Insured Persons** have any questions, please contact the insurance intermediary from which this policy was purchased.

Section 10 of the Insurance Act 2015 does not apply to the premium payment warranty (but will apply as usual to the rest of the policy). As a result, if **The Policyholder** fails exactly to comply with the premium payment warranty, **We** will irrevocably be discharged from liability from the time of such breach. Accordingly, **The Policyholder** cannot avail themselves of the defence that they have remedied the breach of the premium payment warranty before any loss has occurred.

Please note: terms shown in bold in this policy have the meanings given to them in the definitions General Definitions on pages 14 - 16.

The Policyholder must ensure that each **Insured Person**, upon enrolment into the policy, must as a minimum receive:

- **Certificate of Insurance**
- Travel Insurance Policy Summary & Member's Guide
- Policy Wording.

Insured Persons should check upon enrolment into this policy that the sums insured and sections of cover are adequate for their personal needs and if not, they should notify **The Policyholder** prior to travel to enquire if alternative cover arrangements can be made.

Please note: This policy covers **Business Travel** and **Leisure Travel**. **Business Travel** is a qualifying requirement of the policy, that also provides cover for **Leisure Travel**. However, **The Policyholder** may have opted to exclude **Leisure Travel** from this policy, in which case, **Insured Persons** will not be covered for **Leisure Travel**.

Important information relating to this Policy

It is essential that **The Policyholder** provides **Us** with a fair representation of the risks **We** are accepting when applying for cover. It is also important that **The Policyholder** advises their broker, intermediary or **Us** of any changes which occur during the **Period of Insurance** which may alter information previously provided. If **The Policyholder** is in doubt as to whether they need to disclose information to **Us**, then this should be declared.

This means **The Policyholder** will need to make enquiries with **Insured Persons** to ensure that they have declared all necessary information.

It is **The Policyholder** or **Insured Person's** (where appropriate) responsibility to prove any loss. Therefore, **We** recommend that **The Policyholder** or **Insured Person's** (where appropriate) keep receipts, photographs and relevant documents to help with any claim to be made. It is advisable to always keep copies of all documents that are sent to **Us** when making a claim. This policy is a legal contract. **The Policyholder** must tell **Us** about any facts or changes which affect the insurance and which have occurred either since the policy started or since the last renewal date. If **The Policyholder** does not tell **Us** about relevant changes, this policy may not be valid or the policy may not cover **The Policyholder** or **Insured Persons** fully. **The Policyholder** should keep a written record (including copies of letters) of any information given to **Us** or the relevant insurance intermediary when renewing this policy.

This is not a Private Medical Insurance and only gives cover in the event of an **Accident** or sudden **Illness** that requires emergency treatment whilst on an **Insured Journey**. In the event of any medical treatment becoming necessary which results in a claim under this policy, the **Insured Person** will be required to allow **Us** or **Our** representatives unrestricted reasonable access to their medical records and information.

COVID-19

Emergency medical expenses:

This insurance covers medical expenses necessarily incurred by **The Policyholder** or **Insured Person** (where appropriate) for treatment of **COVID-19**, or symptoms thereof, subject to the terms and conditions of the policy, under Section B1 Emergency Medical Expenses. **COVID-19** related Medical Expenses are only incurred as prescribed by a **Qualified Medical Practitioner**. This policy excludes elective medical expenses and **COVID-19** tests. No coverage is provided in the **Insured Person's Country of Domicile** upon return, regardless of any continuation wording that might be in this policy.

Cancellation:

Please note: this cover only applies if **The Policyholder** has paid the appropriate additional premium as shown on the **Certificate of Insurance**. **The Policyholder** or the **Insured Person** (where appropriate) is covered up to the amount shown in the **Schedule of Benefits** for cancellation if the **Insured Person**, or someone the **Insured Person** is travelling with contracts **COVID-19** within 14 days of an **Insured Journey** departure date, or an **Insured Person** being admitted to hospital due to testing positive for **COVID-19** within 28 days of the **Insured Journey** departure date, subject to the terms and conditions of the policy, under Section B8.2 Cancellation in the event of a COVID-19 Diagnosis.

Coronavirus (COVID-19) coverage is only applicable to the above sections (with appropriate terms and conditions met) and no other section of this policy.

Choice of law

The appropriate law as set out below will apply unless **The Policyholder** and **Us** agree otherwise. This contract will be subject to the law of England and Wales.

The Policyholder and **Us** shall submit to the exclusive jurisdiction of the courts of England and Wales. Payment of the insurance premium is evidence of **The Policyholder's** acceptance of this choice of law and jurisdiction.

This policy is subject to the Insurance Act 2015 (the "Act") and except as expressly varied by the terms of this policy, nothing herein shall be deemed to be a waiver of the **Our** rights under the Act.

Cancellation rights

We hope both the **Insured Persons** and **The Policyholder** are happy with the cover this policy provides. However, if after reading this policy, the insurance does not meet with **The Policyholder's** requirements, **The Policyholder** must notify the **Policy Administrator** in writing (or the insurance intermediary who arranged this insurance) within fourteen (14) days from receipt of the policy documents.

The Policyholder may return the policy to **Us** within 14 days for cancellation and a full refund of the premium will be made providing no claim exists or has been made, no incident likely to result in a claim has occurred and no **Insured Persons** listed on the **Schedule of Insured Persons** has already undertaken an **Insured Journey**.

The policy will be retroactively cancelled and **The Policyholder** or **Insured Persons** (where appropriate) cannot make a claim under it and neither **The Policyholder** or **Insured Persons** (where appropriate) nor **Us** will have any further rights, liabilities or obligations under this insurance policy.

Please note: If **The Policyholder** wishes to cancel this policy after 14 days from the date of receipt of the policy documents, or a claim exists or has been made, or an incident likely to result in a claim has occurred or an **Insured Person** listed on the **Schedule of Insured Persons** on the **Certificate of Insurance** has already undertaken an **Insured Journey**, **We** cannot refund the premium to **The Policyholder**.

If **The Policyholder** has any questions regarding the terms of this policy, they should contact the **Policy Administrator** directly for clarification, otherwise it shall be assumed that all terms are understood and accepted.

NGS SOS App Plus

This insurance policy grants access to the NGS SOS App Plus.

The NGS SOS App Plus, at a touch of a button, sends all information from the **Insured Person's** smartphone to the NGS 24/7/365 Operations Room, along with the GPS location of the GPS enabled smartphone device at that time.

The app is free and can be downloaded and accessed where 3G/4G or wifi signal permits to any compatible smartphone mobile device in seconds:

1. Remotely downloadable
2. Secure, comprehensive user profile
3. Travel advice and comprehensive country risk profiles
4. 24/7 access to global emergency response
5. SOS initiation
6. Recorded calls for quality control and auditing
7. Access to over 200 real-time language translations.

The NGS SOS App Plus ensures awareness and oversight at all times – protecting the **Insured Person's** safety by helping them avoid risk and speeding the NGS emergency response.

We recommend installing and setting up the app before travelling

To download the NGS SOS App Plus:

1. Please register as a new user on the NGS website: <https://www.northcottglobalsolutions.com/>
2. Select INSURANCE – USER REGISTRATION +
3. The next step is to simply fill in as much information as possible. The fields marked with an asterisk are the only required ones, however the more information filled in the better as this will be used if assistance is required. It is important the **Insured Person** fills in the insurance policy details, existing medical conditions and medication which will help the NGS Operations team help in a time of need.
4. Once the sign-up process has been completed, the **Insured Person** will be presented with an option to download the app from either the APP store for IOS or the GOOGLE play store for Android.
5. Scan the below QR code to download the app.

6. In order to use the app, the **Insured Person** will be required to log in using their email address and password previously created.

Please ask for a step-by-step guide for more information.

Any queries contact InsExec@northcottglobalsolutions.com.

Please note:

1. If the app is pressed without an accompanying phone call to NGS Ops, NGS is not required to contact the holder of the app. It is for the **Insured Person** to officially inform NGS of a request for assistance by a phone call or email.
2. A request for NGS assistance using the app is to be communicated verbally in line with their policy instruction through the initial phone call that automatically opens up when the app is triggered.
3. For the avoidance of doubt, the purpose of the app is for information transfer only and not for triggering any kind of emergency response. This information consists of the information that the app holder entered into the device on setup.
4. For the call to go through successfully, the device will need signal. The email specifying the GPS coordinate requires data coverage in the **Insured Person's** area and to be from a GPS enabled device. Data and GPS location services on the **Insured Person's** device will also need to be switched on. There is an option to manually switch to SMS should there be no data coverage or where the **Insured Person's** device is not data enabled; they will need GSM coverage for this.
5. One Touch Emergency App is not an alternative solution to live GPS or satellite personal tracking or distress beacons or devices. These are available from Northcott Global Solutions for an additional charge.

Reciprocal Health Agreements

Some countries provide reciprocal health agreements for visiting citizens of certain nationalities. These agreements can sometimes give the **Insured Person** access to free or reduced cost medical treatment and services within participating state or government hospitals or clinics.

Check with the relevant embassy before travelling to see if there is a reciprocal health agreement that exists between the **Insured Person's** country of citizenship and destination. If it does then it is recommended that the **Insured Person** enrolls in the reciprocal health programme before departure.

Each section of the policy contains specific conditions. They must be read in conjunction with the following General Conditions which apply to all sections unless otherwise stated. Where (i) there has been a failure to comply with a term (express or implied) of this insurance contract, other than a term that defines the risk as a whole; and (ii) compliance with such term would tend to reduce the risk of loss of a particular kind and/or loss at a particular location and/or loss at a particular time, **We** cannot rely on the breach of such term to exclude, limit or discharge **Our** liability if **The Policyholder** or **Insured Person** (where appropriate) show that the failure to comply with such term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

It is a condition precedent to liability that on the happening of any event which may give rise to a claim **The Policyholder** or **Insured Person** (where appropriate) must tell **Us** immediately and give **Us** all the assistance **We** may reasonably require whether or not they intend to claim. When **The Policyholder** or **Insured Person** (where appropriate) tell **Us** about an incident or claim **We** may pass on information relating to it to any relevant claims related database.

1. **Adjustable Premium:** If it has been agreed with **Us** that any part of the premium, being based on estimates, is adjustable **The Policyholder** shall within 30 days, of the end of each **Period of Insurance** provide **Us** with the actual figures and the premium will be adjusted accordingly.
2. **Aggregate Limit:** If the aggregate amount of all benefits payable exceeds the stated aggregate limit the benefits payable to **The Policyholder** or **Insured Person** (where appropriate) shall be proportionately reduced until the total of all benefits does not exceed the aggregate limit. **Please note:** aggregate limits apply to **Business Travel** only.
3. **Alteration of Risk:** Where there is a deliberate or reckless misrepresentation or non-disclosure of relevant information (such relevant information is including but not limited to where there has been any alteration to **The Business** and/ or the occupation or pursuits of any **Insured Person** after the effective date of this Insurance which increases the risk of loss, liability, destruction, damage, **Accident, Bodily Injury** or **Illness** or where **The Policyholder's** or **Insured Person's** (where appropriate) interest ceases except by will or operation of law) the policy will be treated as void and of no effect from the date of such misrepresentation or non-disclosure and no return of premium will be allowed.
Where such misrepresentation or non-disclosure is not deliberate or reckless but would have affected **Our** consideration of the risk, **We** may take the following actions with effect from the date of the misrepresentation or non-disclosure:
 - a. if **We** would not have provided insurance on any terms, **We** will treat the policy as void and of no effect and **We** will return the amount of any premiums paid from that date;
 - b. if **We** would have entered the contract but at an additional premium **We** have the right to reduce any claim payment in proportion to the amount of the underpayment; and/or
 - c. if **We** would have entered the contract but applied different terms **We** have the right to amend the terms to those which would have been applied.
4. **Assignment:** **The Policyholder** or **Insured Persons** (where appropriate) may not assign or transfer the benefits under this policy. **We** shall not be bound to accept or be affected by any notice of any trust charge, lien, purported assignment or other dealing with or relating to this policy.
5. **Cancellation & Renewal:** **We** may cancel this policy by sending **The Policyholder** 30 days written notice to their last known address and **We** will return the premium of any of the **Period of Insurance** remaining to **The Policyholder**. **We** shall not be bound to accept any renewal or extension of any insurance policy.

The Policyholder may cancel this policy at any time by sending **Us** 30 days written notice and any unearned premium shall be returned to them provided that during the current **Period of Insurance** there have been:

- a. No claim(s) made under this policy for which **We** have made a payment; and/or
- b. No claims(s) made under this policy which are still under consideration by **Us**; and/or
- c. No incident(s) which **The Policyholder** or the **Insured Person** are aware of and are likely to give rise to a claim, which have not yet been reported to **Us** or the Claims Administrator.

If **The Policyholder** cancels this policy, it is their responsibility to notify all **Insured Persons** and persons listed on all **Schedule of Insured Persons** of the cancellation on, or prior to, the date of cancellation.

We may cancel the cover provided by this policy for **War** by sending 7 days written notice to **The Policyholder** at their last known address.

6. **Cessation of Employment:** coverage under this policy will cease for the **Insured Person** and all **Family** members named on the **Schedule of Insured Persons** with immediate effect, or upon their return from an **Insured Journey** if they are overseas when the employment ceases (whichever is the later) if the **Insured Person** ceases to remain employed under a contract of employment, service or apprenticeship with **The Policyholder**.
7. **Contribution & Other Insurances:** **The Policyholder** or **Insured Person** (where appropriate) must inform **Us** if there is other insurance that would, or would but for the existence of this insurance, pay such claim. If at the time of an event giving rise to a claim there is any other insurance policy in force in **The Policyholder's** or **Insured Person's** (where appropriate) name which covers **The Policyholder** or the **Insured Person** for the same expense, loss or liability **We** will only pay a proportion of the claim being determined by reference to the cover provided by each of the relevant policies with the exception of personal accident benefits which will be payable in full. **We** shall not pay any claim in respect to care, treatment, services or supplies furnished by any program or agency funded by any government.
8. **Fit To Travel:** **Insured Persons** must be fit to travel when booking any **Insured Journey** or purchasing this policy whichever is the later.
9. **Claims Notification & Reimbursement:** **The Policyholder** or **Insured Person** (where appropriate) must complete a claim form within no later than 60 days of returning to their **Country of Domicile** if anything happened during the **Insured Journey** which might lead to a claim under the policy. **The Policyholder** or **Insured Person** (where appropriate) must pay back to **Us** any amount which **We** have paid for something which is not covered under this policy.
10. **Fraud:**
 - (i) If **The Policyholder** or **Insured Person** (where appropriate) or anyone acting on their behalf makes a fraudulent claim under the policy, **We**:
 - a. Are not liable to pay the claim; and
 - b. May recover from **The Policyholder** or **Insured Person** (where appropriate) any sums paid by **Us** in respect of the claim; and
 - c. May by notice to **The Policyholder** or **Insured Person** (where appropriate) treat the policy as having been terminated with effect from the time of the fraudulent act.
 - (ii) If **We** exercise **Our** right under clause i c) above:
 - a. **We** shall not be liable to **The Policyholder** or **Insured Person** (where appropriate) in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **Our** liability under the policy (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and,
 - b. **We** need not return any of the premiums paid.

(iii) If a fraudulent claim is made under the policy by or on behalf of an **The Policyholder** or **Insured Person** (where appropriate), **We** may exercise the rights set out in clause i above as if there were an individual insurance contract between **Us** and the **The Policyholder** or **Insured Person** (where appropriate). However, the exercise of any of those rights shall not affect the cover provided under the policy for any other **The Policyholder** or **Insured Person** (where appropriate).

Nothing in the above is intended to vary the position under the Insurance Act 2015.

11. **Identification:** The policy and the **Schedule of Insured Persons** and the **Schedule of Benefits** will read as one contract. A particular word or phrase which is not defined will have its ordinary meaning.
12. **Premium Payment Warranty:** **The Policyholder** warrants that all premiums due to **Us** under this policy are paid within the terms agreed from the inception date. Non-receipt by **Us** of such premium, by midnight (local standard time) on the premium due date, shall render this policy void with effect from inception.
13. **The Contracts (Rights of Third Parties) Act 1999:** The Contracts (Rights of Third Parties) Act 1999 or any amendment thereto does not apply to this policy. Only **We** and **The Policyholder** or **Insured Person** (where appropriate) can enforce the terms of this policy. No other party may benefit from this contract as of right. The policy may be varied or cancelled without the consent of any third party.
14. **Reasonable Precautions:** **The Policyholder** or **Insured Person** (where appropriate) must take all reasonable precautions to avoid **Accident**, injury or **Illness** to any person, or loss, destruction or damage to their property and must always act as if they are uninsured, and must comply with all legal requirements and safety regulations and conduct **The Business** in a lawful manner. If in relation to any claim **The Policyholder** or **Insured Person** (where appropriate) have failed to fulfil any of these conditions, they will lose their right to indemnity or payment for that claim. **The Policyholder** or **Insured Person** (where appropriate) must take all reasonable steps to get back any article which has been lost or stolen. They must if asked to, identify the person they believe to be responsible for the loss and to assist with any prosecution if necessary.
15. **Recovery from Third Parties:** In the event that a third party is held liable for all or part of any claim paid under this policy **We** may exercise **Our** legal right to pursue the third party to recover **Our** outlay. **The Policyholder** or **Insured Person** (where appropriate) will upon **Our** request agree to and permit **Us** to do such acts and things as may be necessary or reasonably required for the purpose of exercising this right. **We** will pay the costs and expenses involved in exercising the right against third parties.

The Policyholder or **Insured Person** (where appropriate) shall cooperate with **Us** to obtain or pursue a recovery or contribution from, or in the prosecution of any and all valid claims **We** may have against any other insurance or third parties (including any National Insurance Programme, Reciprocal Health Agreement, the Department of Work & Pensions, Employer's Liability or Workers Compensation Insurance or similar) arising out of any occurrence which results, or may result in a loss payment by **Us** to account for any amounts recovered on the basis that **We** shall be entitled to recover first in full any sums paid by **Us** before they receive any amount recovered.

The Policyholder or **Insured Person** (where appropriate) shall cooperate with **Us** and provide such information and documentation reasonably required by **Us** in order to collect and enforce **Our** rights of subrogation. **We** may institute any proceedings at **Our** own expense against such third parties in their name.

Should **The Policyholder** or **Insured Person** (where appropriate) fail to prosecute any valid claims against third parties and **We** thereupon become liable to make payment under this insurance, then **We** shall be subrogated to all **The Policyholder's** or **Insured Person's** (where appropriate) rights. Any amount recovered by **Us** shall be used to pay **Our** expenses of collection and reimbursement for any amount that **We** may have paid or become liable to pay under this insurance. Any remaining amounts shall be paid to **The Policyholder** or **Insured Person** (where appropriate).

16. **Range of Services & Measures Outside of Our Control:** **We** and **Our** Crisis Management Company will make every effort to apply the full range of services in all circumstances as shown in the policy. Remote geographical locations or unforeseeable adverse local conditions may prevent the normal standard of service being provided. The timeliness of emergency medical evacuation or repatriation of remains can be affected by circumstances which are not within **Our** or their control, such as delays of or restrictions on flights caused by mechanical problems, government officials, telecommunications problems, weather and other Acts of God. **We** and **Our** Crisis Management Company shall not be liable for any delays that are not within **Our** or their direct and immediate control.
