#### Statement of Demands and Needs

This is a Travel Insurance Policy that is designed, subject to the terms, conditions and exclusions contained in the Policy Wording and Policy Document to meet the general demands and needs of a company or insured individual that is seeking to obtain some protection against the high cost of unexpected medical emergencies and eligible costs that might arise during the course of their leisure or business travels. It may not be suitable for all customers' demands and needs. You should read the Policy Wording and Policy Documents to ensure that the Policy meets your Demands and Needs.

This is not a Private Medical Insurance and only gives cover in the event of an accident or sudden illness that requires emergency treatment whilst abroad on an Insured Journey. In the event of any medical treatment becoming necessary which results in a claim under this Insurance Policy, You will be required to allow insurers or their representatives unrestricted reasonable access to Your medical records and information.

The Policyholder must ensure that each Insured Person upon enrolment into the VoyagerProtect Travel Insurance Plan, must as a minimum receive: Certificate of Insurance, Travel Insurance Policy Summary & Member's Guide and Policy Wording.

Insured Persons must check upon enrolment into the VoyagerProtect Travel Insurance Plan that the Sums Insured and Sections of Cover are adequate for their personal needs and if not, they should notify the Policyholder prior to travel to enquire if alternative cover arrangements can be made e.g. If an Insured Person is taking high value personal belongings or personal cash with them, they should check that the value of such items is not in excess of the limits shown in the Schedule of benefits Section B6 Personal Belongings or B7 Money.
