The FOS is an independent body that arbitrates on complaints about general insurance products. It will only consider complaints after **We** have provided **You** with written confirmation that **Our** internal complaints procedure has been exhausted. Please always quote **Your** insurance reference and claim number and enclose copies of relevant documentation. This procedure is intended to provide **You** with prompt and practical assistance in dealing with any complaints but does not affect **Your** legal rights.

Your statutory rights are not affected if **You** do not follow the complaints procedure above. For further information about **Your** statutory rights contact **Your** local authority, Trading Standards Service or Citizens Advice Bureau.

If **You** have purchased the insurance policy online, **You** may also raise **Your** complaint via the EU Online Dispute

Resolution Portal at

<http://ec.europa.eu/consumers/odr/>.

This will forward **Your** complaint to the correct Alternative Dispute Resolution scheme. For insurance complaints in the UK this is the Financial Ombudsman Service. However, this may be a slower route for handling **Your** complaint than if **You** contact the Financial Ombudsman Service directly.
