Special notice

This is not a private medical insurance and only gives cover in the event of an **Accident** or sudden **Illness** that requires emergency treatment. In the event of any medical treatment becoming necessary which results in a claim under this insurance, **You** will be expected to allow insurers or their representatives unrestricted reasonable access to all **Your** medical records and information.

The policy does not intend to cover the normal costs or losses otherwise associated with pregnancy (including multiple pregnancy) or childbirth. This includes but is not limited to delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The policy does, however, cover **You** should complications arise with **Your** pregnancy due to **Accidental Bodily Injury** or unexpected **Illness** which occurs while on **Your Trip**.

Period of insurance

If **You** have paid the appropriate annual multi-trip travel insurance premium and **You** are under 75 years old at the time of purchase of the policy, the overall period of insurance shall be for 12 months starting from the date shown. This insurance then covers an unlimited number of holiday/leisure **Trips** starting within that period, except that if **You** are undertaking a **Trip** that exceeds the maximum number of days shown in the benefits schedule **You** will not be covered for those days that exceed the maximum limit. **Wintersports** are covered up to the total number of days shown in the benefits schedule. If **You** have bought the double cover **You** are also insured when travelling on business.

Except as stated below, cover for each separate **Trip** under this insurance starts when **You** leave **Your Home** or place of business in **Your Home country** at the start of **Your Trip**, and finishes as soon as **You** return to **Your Home** or place of business in **Your Home country**.

You are only covered for the period for which a premium has been paid and in any event the total period of any one **Trip** must not exceed the period shown in the benefits schedule.

For cancellation only (section 1), cover starts from the date shown on **Your** certificate or the date **You** book **Your Trip**, whichever is the later.

If **You** are going on a one-way trip all cover will finish 48 hours after **Your** arrival in the country of final destination.

If **Your** return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

Reciprocal health agreements

If **You** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **You** are strongly advised to obtain a European Health Insurance Card (EHIC). **You** can apply for an EHIC online at www.ehic.org.uk or by telephoning 0300 3301 350. This will entitle **You** to benefit from the health care arrangements which exist between countries within the EU/EEA or Switzerland. In the event of liability being accepted for a medical expense which has been reduced as a direct result of **You** presenting your European Health Insurance Card to the medical facility at the time of treatment **We** will not apply the deduction of excess under section 2 - emergency medical expenses.

Australia or New Zealand

If **You** require medical treatment in Australia **You** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **You** must do this after the first occasion **You** receive treatment. Inpatient and out-patient treatment at a public hospital is then available free of charge. If **You** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO).
