If **you** have annual multi-trip cover **your** agent will send **you** a renewal notice at least 21 days prior to the expiry of the **period of insurance** as shown on **your** certificate of insurance. **We** may vary the terms of **your** cover and the premium rates at the renewal date.

Extending the period of cover

We will automatically extend the period of cover free of charge for up to 14 days if **you** cannot get home from **continental Europe** before the insurance ends because the public transport on which **you** are travelling as a passenger is delayed. After 14 days **you** will need to apply for extra motor **breakdown** insurance.

Demands and needs statement

Voyager to Europe Breakdown Cover is typically suitable for those who wish to insure themselves for motor **breakdown** whilst travelling in **continental Europe**.

You may already possess alternative insurance(s) for some or all of the features and benefits provided by this product. It is **your** responsibility to investigate this.

We have not provided **you** with any recommendation or advice about whether this product fulfils **your** specific insurance requirements.

Thank you for taking out Voyager to Europe Breakdown Cover with us.

Your certificate of insurance shows the sections of the policy **you** have chosen, the vehicle that is covered and any special terms or conditions that may apply. **Your** policy does not cover everything. **You** should read this document carefully to make sure it provides the cover **you** need. If there is anything **you** do not understand **you** should contact **your** issuing agent.

How your policy works

Your policy and certificate of insurance is a contract between **you** and **us**. **We** will pay for any claim **you** make which is covered by this policy and happens during the **period of insurance**. Unless specifically mentioned the benefits and exclusions within each section, apply to the **insured vehicle**. **Your** policy does not cover all possible events and expenses. Certain words have special meanings as shown under the heading 'definitions'. These words have been highlighted by the use of bold print throughout the policy document.

24-hour motoring breakdown service

The assistance provided by this policy is operated by Allianz Assistance.

If **you** suffer a **breakdown** during **your journey**, please tell us as quickly as possible using the following number;

From within your home country: 020 8239 3933. From outside your home country: +44 (0) 20 8239 3933

You can call 24 hours a day, 365 days a year.

Please tell **us** where **you** are, **your** policy number and say that **you** are covered with **Voyager to Europe Breakdown Cover 2019/20**.

Whilst every effort will be made to provide the assistance services detailed in this policy, there may be occasions where due to circumstances beyond **our** control or due to the location of the **breakdown**, certain services may not be available. If **we** are unable to verify **your** policy cover immediately, **we** may need to take a credit or debit card number in order to provide the required assistance. No payment will be taken without the prior authority of the card holder.

Auto route restrictions

If assistance is required on a French autoroute, and certain autoroutes in some other European countries, **you** must use the official SOS boxes at the side of the road in order to arrange initial recovery. **You** will be connected to the authorised motorway assistance service because the roads are privatised and **we** are prevented from assisting on them. **You** should call **us** at the earliest opportunity so that **we** can arrange for the most appropriate assistance once **your** vehicle has been recovered from the autoroute. Any costs incurred for recovery from the autoroute can be claimed back from **us**.

Before you travel

This policy for motor **breakdown** is an assistance only service. Please contact **your** motor insurance company to check the level of cover provided when **you** are abroad and whether a Green Card is required. When the motoring **breakdown** service has provided a replacement vehicle, **you** will be expected to leave a cash or credit card deposit and produce a clean driving licence. Please make yourself aware of relevant driving regulations abroad.

We will act in good faith in all our dealings with you. We will only pay your claim if you meet the following conditions.

1. you are a resident of the **United Kingdom**.
2. you take reasonable care to protect your insured vehicle against breakdown or theft and yourself and your property against accident, injury, loss and damage.
3. you have a valid policy number.
4. you write to us as soon as possible with full details of anything which may result in a claim.
5. you send us every writ, summons or other communication to do with a claim as soon as you get it.
6. you give us all the information and documents we need (including details of your household or motor insurance and other information asked for under the 'making a claim' section). You must do this at your own expense.
7. you do not admit liability or offer to pay any claim unless you have our written permission.
8. you accept that we will not extend the period of insurance:
 - for single trip cover if the original policy plus any extensions have either ended, been in force for longer than 90 days or you know you will be making a claim.
 - for annual multi-trip cover beyond the expiry of your policy.
9. you accept that no alterations to the terms and conditions of the policy apply unless we confirm them in writing to you.
10. you must contact our motoring breakdown service when the insured vehicle has a breakdown or it is stolen. We will not provide cover if we have not authorised it.
11. you must get our authorisation for service costs at the time the insured vehicle has a breakdown or it is stolen. This must be organised by us and carried out according to our instructions.

We are entitled to recover all costs that you have used if you have travelled, made a claim or intend to make a claim.
7. Pay any claim on this policy under the law of the country you usually live in within the **United Kingdom**.
8. Not to provide help if the insured vehicle has an electrical or mechanical fault which keeps happening or has not been serviced to the manufacturer's recommendations and kept in a safe and roadworthy condition.
