24 hour medical emergency and repatriation service

The nominated emergency service referred to in this policy is operated by Global Response Limited.

Our nominated emergency service has the medical expertise, contacts and facilities to help should you be injured in an accident or fall ill. Our nominated emergency service will also arrange transport to your home country when this is considered to be medically necessary or when you have notice of illness or death of a relative at home. You must contact them if you are admitted to hospital and wish to return home by any means other than originally booked or require treatment that will cost more than £/€250 (or the equivalent in local currency).

**In the case of medical emergency please contact Global Response on telephone number +44 (0) 2920 468794
Email: operations@global-response.co.uk
Please quote Voyager Plus 2018/19**

Payment for medical treatment abroad

If you are admitted to a hospital/specialist clinic while abroad, our nominated emergency service will, wherever possible, arrange for medical expenses covered by the policy to be paid direct to the hospital/specialist clinic. To take advantage of this benefit someone must contact our nominated emergency service for you as soon as possible. Private medical treatment is not covered unless authorised specifically by our nominated emergency service.

Special notice

This is not a private medical insurance and only gives cover in the event of an accident or sudden illness that requires emergency treatment whilst abroad. In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to your medical records and information.

Reciprocal health agreements

EU, EEA or Switzerland

If you are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland you are strongly advised to obtain a European Health Insurance Card (EHIC). You can apply for an EHIC online at www.ehic.org.uk or by telephoning 0300 330 1350. This will entitle you to benefit from the health care arrangements which exist between countries within the EU/EEA or Switzerland. In the event of liability being accepted for a medical expense which has been reduced as a result of you presenting your European Health Insurance Card to a medical facility at time of treatment or similar reciprocal health agreement, we will not apply the deduction of excess under Section 2 - Emergency medical expenses.

Australia

If you require medical treatment in Australia you must enrol with a local MEDICARE office. You do not need to enrol on arrival but you must do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at www.humanservices.gov.au/medicare or by emailing medicare@humanservices.gov.au. Alternatively please call our nominated emergency service for guidance. If you are admitted to hospital contact must be made with our nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE.

Important features

We would like to draw your attention to some important features of your insurance including;

1. Insurance document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

2. Conditions and exclusions

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

3. Health

This insurance contains restrictions regarding the health of the people travelling and of other people upon whose health the trip depends. You are advised to read the document carefully.

4. Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.

5. Limits

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

6. Excesses

Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section unless either the 'double your excess' or the 'excess waiver' option has been selected and this is shown on your certificate.

7. Claims arising from alcohol

We do not expect you to avoid alcohol during your trip, but will not cover any claim arising from excessive alcohol consumption, by which we mean where you have drunk so much alcohol that you have notably impaired your faculties and/or judgement and you need to make a claim. Please refer to general exclusions 9-11.

8. Reasonable care

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

9. Sports & activities

You may not be insured if you are going to take part in sports & activities where there is a generally recognised risk of injury. Please check that this insurance covers you, or ask us.

10. Customer service

We always try to provide a high level of service. However, if you think we have not lived up to your expectations, please refer to the complaints procedure.

11. Cancellation rights

This insurance contains a 14 day 'cooling off' period during which you can return it and get a full refund, providing you have not travelled and there are no claims. We reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation (please refer to "Cancellation rights" on page 4).

12. Fraudulent claims

It is a criminal offence to make a fraudulent claim.

Important conditions relating to health & activities

Please consider questions 1-6 & 8 very carefully in relation to yourself and your travelling companions insured under this policy. Question 7 relates to non travellers and travelling companions not insured by us.

There is certain information that we need to know as it may affect the terms of the insurance cover we can offer you. You must, to the best of your knowledge, give accurate answers to the questions we ask when you buy your travel insurance policy. If you do not answer the questions truthfully it could result in your policy being invalid and could mean that all or part of a claim may not be paid.

Please note that if you do contact **JD Travel Insurance Consultants** when the appropriate answers are all NO then you will have to pay the additional premium quoted if you wish to cover your declared conditions. If you think you may have given us any incorrect answers or if you want any help, please contact **JD Travel Insurance Consultants** on **0344 247 4749** as soon as possible and we will be able to tell you if we can still offer you cover.

NB - Continuing regular medication that is taken at home for a stable, well-controlled condition does not amount to "treatment" in this context and so does not need to be screened. Yes

Important

You must tell us if, at any time during the period of insurance and each time you make arrangements to travel, there is a change in circumstances and you answer 'yes' to any of the important conditions relating to health and activities by contacting **JD Travel Insurance Consultants** on **0344 247 4749**, as shown, as soon as possible so that we may reassess your coverage relating to any trips you have booked or may wish to book in the future. Please refer to general conditions 1, 2 & 3.

Period of insurance

If you have paid the appropriate annual multi-trip travel insurance premium and you are under 75 years old, the overall period of insurance shall be for 12 months starting from the date shown on your certificate. This insurance then covers an unlimited number of holiday, leisure or business trips starting within that period, provided that no single trip is intended to be for longer than the maximum number of days shown in the policy features table for the cover you have bought. Wintersports are covered up to the total number of days shown in the policy features table.

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your home country at the start of your trip, and finishes as soon as you return to your home or place of business in your home country for any reason.

If you have paid the appropriate longstay travel insurance premium, this insurance allows you to return to your home country for short term visits of up to two weeks, as long as they are not subject to a claim. Cover is temporarily suspended for the duration of these visits.

You are only covered for the period for which a premium has been paid and in any event the total period of any one trip must not exceed the maximum period shown in the policy features table.

For cancellation only (section 1), cover starts from the date shown on your certificate or the date you book your trip, whichever is the later.

Personal money (section 8) will be covered from the time of collection but not more than 72 hours before travel.

If you are going on a one-way trip all cover will finish 48 hours after your arrival in the country of final destination, unless you have selected and paid the additional premium for the one way trip extended cover option and this is shown on your certificate. In this instance, your cover will finish at the date you have selected after arrival in the country of final destination up to a maximum of 31 days from the date of arrival in the country of final destination. In no event can the duration of cover exceed the maximum trip duration shown in the policy features table.

If your return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

Important note in respect of 'Already Departed' cover notwithstanding the period definition above, if you have already departed on your trip prior to purchasing your travel insurance, or if your previous insurance has expired, cover is available, subject to;

- all cover must start on the day following purchase or expiry of your previous insurance.
- no cover applies in respect of pre-existing medical conditions and no screening is available.

Please do not send in any documentation until you have a completed claim form to go with it. The claim form lists the additional documentation necessary to support your claim. Always make sure that any loss or theft of valuables or any items are reported to the police within 24 hours of discovering the loss or as soon as possible after that, and a written report obtained in the country where the incident occurred. If your baggage is damaged or lost in transit whilst "checked-in" you must report it to the handling agents or airline as soon as possible on collection and obtain a Property Irregularity Report. These reports (if applicable to your claim), together with all available receipts and any other requested documentation, must be submitted with your claim form.

Cancellation rights

We hope you are happy with the cover this policy provides. However if after reading this certificate and wording, this insurance does not meet with your requirements, there is a 14 day "cooling off period" during which you can return it to the issuing agent, and any premium already paid will be refunded to you providing you have not travelled, no claim has been made or is intended to be made and no incident likely to result in a claim has occurred and the policy has not expired. We reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation. We shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document by sending 14 days notice to you at your last known address. The 'cooling off' period does not apply if you have already departed on your trip when the policy is purchased.

- 14 day waiting period before medical expenses cover commences in respect of illness if departure from home country or expiry of any previous policy or expiry of your previous insurance was more than 7 days before purchase date.
- the 14 day 'cooling off period' for cancelling the policy does not apply.
- the overall period of your trip outside your Home Country does not exceed the policy maximum for your age, including any period of insurance under this policy. In the event of a claim you will be required to provide evidence of the day you first left your Home Country.
- annual multi-trip cover is not available and the insurance must be arranged for the remaining period of your trip including return to your Home Country.
